

OIL USED IN **DEVONN** TRACTORS

- * It is very important to change engine oil and filter at 50 hrs., then 120 hrs. afterwards or once a year, if you put on less hours

- * Recommended oils:

- * Engine --- 15W/40 Diesel Oil (Shell Rotella T) ----- 6 liters

- * If tractor is started outdoors frequently in -15 C and colder use 0W/40 (Shell Rotella T)

- * Injection Pump --- 15W/40 Diesel Oil (Shell Rotella T) - (Same as engine) - .5 liters

- * Transmission/Hydraulics - Automatic Transmission Fluid - Dexron II (Type A) - 25 liters

- * Power steering system -- Automatic Transmission Fluid - Dexron II (Type A) - 3 liters

- * Front differential --- Automatic Transmission Fluid - Dexron II (Type A) - 6 liters
